REMINDER FOR TRAVEL COMFORT!!!

Do not drink too much before you leave on Saturday. If you have a problem with certain foods, DON'T eat them on Friday evening. We would like to keep the stops to a minimum. To make it to Bayview in 11 hours, we can only stop for a 30 minute lunch and fuel break in San Antonio with short bathroom/comfort stops as we stop for fuel. The bus and vehicle drivers will control the number of stops needed for fuel, etc., by cell phone communication; *cell phone numbers should be exchanged before leaving.*
